No. F011A21F018

Multi-directional floor lamp for exterior use. Structure and cone in painted brushed stainless steel or brushed brass; marble base in various colours. Available in four standard combinations: black/black lava painted steel, deep brown/travertino imperiale, satinized brass/grey lava, satinized stainless steel/occhio di pernice. The structural parts are chemically treated for protection against atmospheric elements. Diffuser in opalescent UV-resistant photoengraved injection-moulded polycarbonate. LED bulb included. 5-m cable with IP44 Schuko plug suitable for outdoor use. Backlit floor dimmer switch on the IP65 cable enables ON/OFF function and brightness regulation 30–100%. Casambi function on demand.
