

Splyt Surface, adjustable projector

Reggiani

No. T.WF3D0.HQ31

System of luminaires for interiors, born of the specific requirement to offer high performance optics with an optical compartment thickness of just 40mm, SPLYT is a further result of Reggiani's collaboration with leading British lighting designers, LAPD Consultants. The system enables the fixture mounting to adapt to the specific requirements of the project, with semi-recessed, track, surface and wall mounting options.
