

Trybeca Square, LARGE, SQUARE fixed recessed luminaire, WITH BEZEL

Reggiani

No. X.DC0L0.NN31

Ideal for transforming interiors with diffuse a lighting, Trybeca is a family of recessed, surface-mounted and pendant luminaires based on the clean lines of three simple shapes: circle, square and rectangle. Trybeca comes with three interchangeable spacers that can be used for recessed, flush or drop mounting of the diffuser. The Trybeca Recessed Drop version has a diffuser that drops further for even softer and more aesthetically pleasing light distribution.
